

C.E.I./Club des 4 Vents PARIS "WORK IN France" 2009

Programs for EUROPEAN NATIONALS

The CEI offers many opportunities to work in France for people from the one of the 15 European countries.

PLACEMENT PROGRAMS

The "Job placement" program:

Objective: have a work experience in France.

The CEI organizes appointments with employers willing to hire foreign people upon participant's arrival. In some cases, participants may be hired before arrival, especially when they go to a country town. Most of the jobs are in hospitality, catering or sales sectors where the objective is to have a work experience in France. The kind of job will depend on French level and first work experiences. Participants are allowed to work as long as they want. Participants will work between 30 and 40 hours. Jobs are at least paid at the minimum wage which is 8.71 € per hour (gross salary).

Job Placement program includes:

- Telephone interview before the student will be accepted for the program
- Appointments with employers in order to be hired
- 2 nights housing in a youth hostel
- Orientation meeting in our Paris office with information about the French society
- Liability and repatriation insurance
- Opening of a bank account at our Bank partner office
- CEI's support all through the stay.

Fees for the "Job Placement" program are at: 500€ (net agent price)

In order to take advantage of the "Job Placement" program, candidates must:

- Be a National from 15 European Countries, Cyprus or Malta over 18.
- Have at least an intermediate level in French (*tests available upon request*)
- Send a full application form, 6 weeks before start working date

The "Internship" programme :

Candidates have to be higher educational students

It's an assignment in a company, which allows the students to put to use the skills they have learnt during their studies; it therefore has a direct link to their studies. It should show the progression made by the student in relation to their skills and they will be trained and supervised by the person in charge of the work placement. There will be a written Work Placement agreement, which must be signed by the University, the employer and the student. Internships under 6 months are not paid. Most of the time employers give a bonus to the students (around 350 € per month) but it is entirely under employer's responsibility. Between 6 and 12 months, students should receive the minimum wage which is 8.71 € per hour (gross salary). The Internship can't exceed 12 months.

The Internship Placement program includes:

- Telephone interview before the student will be accepted for the program
- Placement in a French company in the field of student's competences
- Processing for the agreement between the school, the employer and the student.
- 2 nights housing in a youth hostel
- Orientation meeting in our Paris office with information about the French society
- Liability and repatriation insurance
- Opening of a bank account at our Bank partner office
- Assistance during the whole stay

Fees for the "Internship Placement program" are at: **720€ (net agent price)**

In order to take advantage of the "INTERNSHIP" program, candidates must:

- Be a student in higher education over 18
- Have a level in French in accordance with the level of studies
- Send a full application form, 3 months before start working date

Housing service

The CEI will help the students to find accommodation in France.

They may find different following types of accommodation:

- Host families
- Room in an apartment
- Youth residences

Housing is always reachable by public transport.

Students must enrol for the entire stay in France. We must have their request with her full application. The rent will have to be paid directly to the landlord and the students have to count between 400 € and 600 € per month. A deposit, equivalent to 1 month rent, will have to be paid upon arrival. The students will have to pay, to enter the accommodation, one month rent plus the deposit. The deposit will be given back to the student upon departure, except of any damages or early leaving.

The students who do not apply for the housing service will have to find accommodation by themselves. Housing service is not refundable.

Fees for "the Housing Service" program are at: **100€ (net price)**
